End of term autumn term 2020

Dear Parents/Carers

Following on from the letter that you received yesterday from Keri Cole, Chief Education Officer in Caerphilly I can confirm that our face-to-face contact with pupils will end on **Wednesday 16th December 2020**; this means that pupils will **NOT** be coming into school on Thursday 17th and Friday 18th December 2020.

All classes will then move to blended learning on Thursday 17th and Friday 18th December 2020. Learning activities will be provided through our Seesaw app and the other methods that have been developed by class teams over the past few months.

We are doing all that we possibly can to ensure face to face learning continues until next Wednesday however every day we have reduced staffing as a result of COVID. Therefore it may become necessary to close some classes if the staffing levels are not sufficient to keep everyone safe; this decision will always be taken as a last resort and we will do all that we can to give you notice if this action needs to be taken.

I also know that an increasing number of parents/carers have decided to keep their children at home until after Christmas as you do not want to have to self-isolate over the Christmas period; this is entirely understandable. The spring term will begin on **TUESDAY 5th JANUARY 2021**.

As you know, we are all living and working in very uncertain times but together I am sure that we can keep our school community safe and healthy.

Many thanks for your continuing support. Keep safe.

Ian Elliott
