

# Trinity Fields School

Parent / Carers Consent - Photographs / Video

Trinity Fields will routinely use photographs and video throughout the school day to record pupils work and celebrate achievements.

The school will keep pupil images safely in line with current safeguarding and data protection procedures. Further information on how we will do this can be found on the school website or in our school policies (paper copies available upon request).

Sometimes the school may wish to share the achievements for pupils with others.

This includes:

- images around school on displays
- on school website
- school social media accounts
- Seesaw application
- newspapers (local and national)
- prospectus
- possibly training materials such as Powerpoints when training other school

The school will presume parents/ carers are happy to give consent for images to be shared as stated.

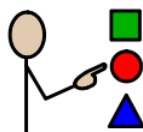

**If you do not give consent** please return the information below before October 5<sup>th</sup> 2018.

This form will be sent annually at the start of each school year, however should you wish to withdraw consent at any time please contact school office and they will issue you withdrawal of consent for sharing images form.

Should you wish to discuss this then please contact our Headteacher. Mr Ian Elliott, who is our designated Data Protection lead.

Please return the part overleaf **ONLY** if your **DO NOT** give **CONSENT** for

any or all of the following options.

Circle anything you **do NOT** consent too.

1. Photographs / video on display boards / walls around school.

2. Photographs/videos within school printed publications (including prospectus,

newsletters, presentations and training materials)

3. Photographs/videos on school website and social media (twitter, facebook)

4. Photographs/videos on Seesaw
